

PGH INSTAGRAM PERFORMANCE REPORT

#strategic #overview

PUBLICIS

WE MAKE IT RIGHT, WE MAKE IT WORK, WE MAKE IT MAGIC

PILLARS

WHAT WE DO

This pillar focuses on our agency's work and expertise. It highlights our creative achievements, showcases standout projects, and celebrates the skills and insights of our team members. Through this, we aim to demonstrate our capability, innovation, and the value we bring to clients, positioning us as leaders in the industry.

WHO WE ARE

This pillar dives into the culture and life within the agency. It captures authentic moments, team interactions, and the agency's personality, giving a glimpse into what it's like to work here. By sharing these moments, we build a connection with our community, attract potential talent, and emphasize the values that make our team unique.

PUBLICIS

#BEFORE STRATEGY

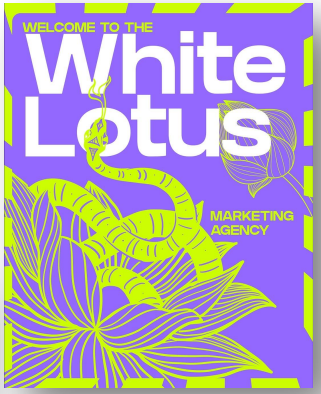

- Average 3 posts per month
- No video posts in Q4
- Excessive emphasis on a few content types
- No unified design
- Only using old Instagram tools

#AFTER STRATEGY

- Average 8 posts per month
- Scheduled video posts every month
- New content types, e.g. Expert Insights, The last 5, Recent Campaigns, ...
- Unified design for the profile including posts, highlights, stickers and GIFs
- Staying up-to-date with the newest tools (Edits app, new stickers, polls in comments, music under posts, etc.)

#BEFORE STRATEGY
2024 Q4

COMPARED TO

#AFTER STRATEGY
2025 JAN-APR

The new, unified design, the scheduled posting, new content types and bigger variety in formats all contribute to the successful strategy roll-out. With the before mentioned changes, Publicis Groupe Hungary's Instagram page was able to boost both awareness and engagement metrics.

THE POST-LAUNCH RESULTS SO FAR:

+57%
Average **views** per post

+16%
Average **likes** per post

18 COMMENTS
Compared to 0 in 2024 Q4

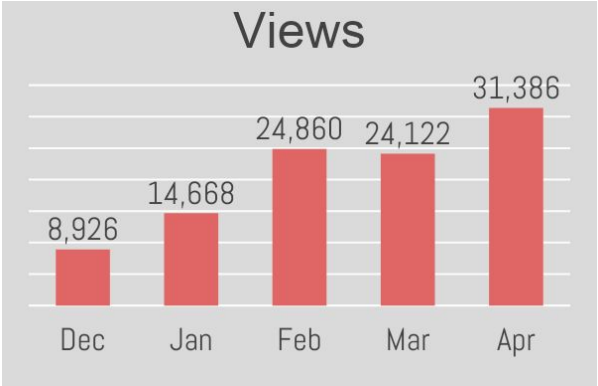

+388%
Average **shares** per post

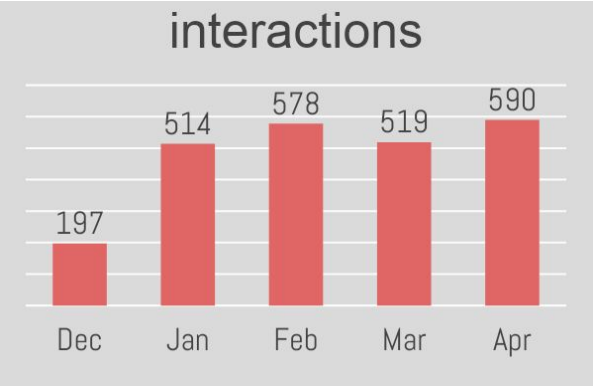

+105%
Average **saves** per post

PUBLICIS

CONSTANT GROWTH

We aim to keep this growth rate by a continuous monthly evaluation, new formats and new content types.
